PROFILE

I'm currently a 2nd year MA Student in Philosophy looking for full-time work in IT + Web Development. I have certificates from HackerRank, Codecademy, and freeCodeCamp in areas including HTML, CSS, JavaScript, UI/UX Design, and Responsive/Interactive Design.

I'm passionate about public services such as transit and education. My ideal career would be working on technologies that help better serve our communities and facilitate in the coordination of public life.

WORK EXPERIENCE
